

SACHEM COUNCIL BANQUETS AND CONDUCTS BUSINESS

Awards Presented and Officers Elected at Annual Meeting in Belmont.

The largest group of SACHEM Council Scouters, Cubbers, and wives ever to gather at a Council annual meeting sat down to a banquet in Belmont High School last Saturday evening.

And well were the 300 or more banqueters rewarded for turning out. First they heard—and at his best—one of the most eloquent speakers in the country—Dr. Allen A. Stockdale of the National Manufacturers Association. Dr. Stockdale took for his subject, "Opportunities for Youth," and held the rapt attention of everyone with the fervor and clarity of his thoughts and the beauty of his expression.

But those were not the only attractions of the day. While the Scouters were transacting the regular business of the Council, and later meeting in discussion groups, the women in the party—nearly 75 in all—listened to a talk on "Interior Decorating," by Agnes F. Fennelly, Massachusetts Extension

Instructor in modern home fashions.

Then at the banquet besides Dr. Stockdale's address, there was the annual presentation of the Silver Beaver to Hollis B. MacDougall of Lexington, and the presentation of Past President pins to Wm. H. Eckert and Dr. Walter T. Garfield by Scout Executive Schreiber.

At the annual meeting these officers were elected: President, George K. Saurwein of Belmont; vice-presidents—George B. C. Rugg, Arlington, George M. Dimond, Bedford, and Whitfield W. Johnson of Watertown; treasurer, Francis J. Carey, Watertown, and Scout Commissioner, Harold B. Dalton, Belmont.

Considerable routine business was accomplished and then the Scouters attended group discussions: Troop Camping, led by Alfred C. Woodward of Arlington; Troop Committee, led by Harold B.

Junior High Pupils May Attend Concerts

It was announced this week that the pupils of Arlington's junior high schools will be allowed the privilege of attending the children's concerts given in Sanders Theatre, Cambridge, by members of the Boston Symphony Orchestra, conducted by Wheeler Beckett.

The next concert is next Wednesday afternoon, when Mozart's Symphony in E Flat and Saint-Saens' Carnival of the Animals will be played. Children attending the concerts will be excused from school early.

Arlington is out to ring the bell in the all-important 1941 Community Fund drive, which begins Saturday and continues through February 5.

A small army of 700 solicitors has volunteered to ring every doorbell in the town to obtain vital funds needed for the support of the 200 participating social agencies of Greater Boston; agencies fighting poverty and disease and sponsoring numerous organizations working toward a better community.

The 700 solicitors, their neighborhood captains, district directors, the general committee members and associate chairmen, headed by Community Chairman Mrs. William A. Muller, are also out to ring a figurative bell. They are determined to achieve and surpass the quota of \$21,000, set as the sum that Arlington should be able to contribute as its share of the battle for a better Greater Boston community and to support social agencies in the town.

Town Ready to Cooperate
They can achieve this, of course, only through the cooperation of all the townspeople and reports at headquarters indicate that the town is ready, too, to ring the bell. People from all sections of the community report their interest in the campaign and their willingness to give generously during these dangerous times.

The campaign will be launched at a giant meeting at Mechanics Building, Boston, Saturday evening, which will be attended by thousands of volunteer workers from Arlington and 45 other cities and towns of the metropolitan area. John B. Kennedy, famous radio news commentator, will be the principal speaker and he will dis-

Fathers and Sons Have Banquet & Entertainment

The annual father and son banquet at the Orthodox Congregational church last Friday night was one of the most successful which has been held. In spite of the many who are ill, the attendance was very large.

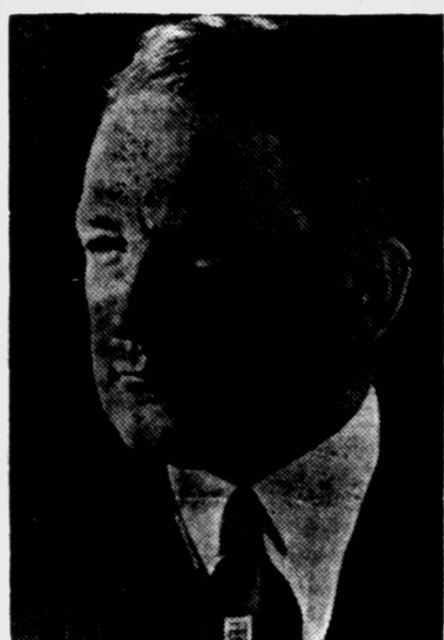

Dr. Ralph B. Lancaster, president of the Men's Club of the church, presided. Community songs were enjoyed under the direction of Chester T. Cook with Clarence H. Barber as pianist.

Following the caterer's supper, a brief greeting from the fathers was given by Elmer E. Barber. The response for the sons was made by Rowland A. Beers. Rev. Laurence L. Barber addressed the group briefly.

The entertainer of the evening was Henry Gerald who presented one of the most amazing and mystifying entertainments which the men have ever been privileged to enjoy. His uncanny ability to read minds and discover articles which had been very carefully concealed, fascinated both men and boys.

Take Charge, Mister... and Let's Fireball!

THERE'S a new word spreading through the vocabularies of car owners who have made firsthand acquaintances with this slick new 1941 Buick.

It's a word we first picked out as an apt description of a new and better engine—but it is rapidly coming to mean a completely new and excitingly pleasurable manner of motorcar travel.

All over the country, "to fireball" now means to enjoy both ease and dispatch in your travel by car—with a very special new manner of thrift.

Not the ordinary, scrimpy, self-denying sort of thrift, but thrift *with all the thrills left in!*

Now, just *why* that happens is easy to understand.

*Optional equipment on the Buick SPECIAL, standard on all other series.

Reenforced by Compound Carburetion* this FIREBALL eight develops nearly 17% more horsepower on exactly the same fuel rationing.

With all that power on call, we can use a more economical gear ratio as our standard high gear—a ratio that ups miles per gallon by giving more revolutions of the wheels for every revolution of the engine.

Then, in addition, we have in Compound Carburetion a fuel supply system that adjusts itself according to the driving conditions you meet.

Thus your engine is always getting the ut-

most benefit out of the least amount of gasoline that will give the performance you want.

And that spells economy.

So much economy that a man who drives 15,000 miles a year gets as much as 2,000 miles' extra driving on the same amount of fuel.

And that, Buick buyers will tell you, is something very much worth looking into through a free demonstration such as any Buick dealer will gladly give.

Many Registered for Adult Evening Classes

Arlington's community evening classes in adult education have registered many of its citizens this past week. The classes in correct English, contract bridge, Italian cutwork, stenography, art, and the class in applied psychology seem to be most popular. There are to be two special lectures given tonight. One is "Speech correction in early childhood" by Dr. Samuel Robbins, A. M., president of American Speech Association and speech correctionist at Emerson College. This will be given at 8:30 and is a fine opportunity for parents and anyone else interested to avail themselves of knowledge on this subject which is so important to a child's progress.

The second outstanding lecture is to be given by Miss Odette Wach, a native Belgian and an authority on rug making, who will speak on needle point rugs as well as rugs in general. For those who are interested in art, there will be a lecture by James F. Kenny of the teaching staff of the Arlington High School entitled, "Your Style in Painting."

—Mrs. Robertine Rice of 81 Jason street reviewed books before a large audience of the Salem Woman's Club last Monday afternoon. In the evening she was a dinner guest of Mrs. Gladys Hasty Carroll, the authoress, at the Bellevue Hotel, Boston.

Garden Club Has New Year's Party

The Arlington Garden Club held a New Year's party for members and their guests last Wednesday evening at the Junior High East auditorium. The president, Mrs. Leroy G. Shaw, wearing an attractive dinner gown of dusty rose lace, which had as its only trimming the new V-neck corsage of yellow and talisman rose buds and white sweet peas, gave the welcoming address.

Mrs. Shaw remarked that 1941 held especial significance for the Garden Club as June 8th would mark its tenth birthday. These past ten years have been years to be proud of, for not only has the club grown from a membership of 40 to 120 and a waiting list, but has many achievements to its credit; competitive prizes have been won, thereby bringing honor to Arlington, and the town has benefited by many civic projects which the club has instigated. For instance, The New England Council has just awarded certificates to twenty eight women's clubs in New England for outstanding civic projects and the Arlington Garden Club had the distinction of being the only garden club to receive an award.

The club was told that the sum raised by the Federation of Garden Clubs to purchase an ambulance for England amounted to \$1750. Due to lack of shipping space this money has been sent direct to England where it will be used to purchase a motorized canteen of which there is great need in the feeding of the homeless. An invitation has been extended to the club to attend an illustrated lecture in color, to be given by the Menotomy Chapter of the D. A. R. This will be held January 21st at Junior Library Hall at 2:30 p. m. Mrs. A. D. Ropes, who resides on the Cape, will be the speaker.

The Nominating Committee for 1941 is: chairman, Mrs. William C. Simpson; Mrs. Charles Atwood and Mrs. Frederick O. Johnson. The next meeting of the club will be Home Talent Day on February 12. Several members of the club on their individual hobbies and also more colored pictures of member gardens will be shown. This was of special interest last year and every-

one is looking forward to seeing this new series.

Miss Mary Barry, Arlington pianist, entertained by playing the following selections: "Wedding Day" by Greig; "Romanze" by Brahms, and the first movement of Sonata in C by Mozart.

The president turned the meeting over to Mrs. Winslow C. Sisson, vice-president and program chairman, who was wearing a black lace dinner skirt topped by a white lamé jacket with an orchid shoulder corsage. Mrs. Sisson introduced the guest speaker, Max Gilstrap, a ranger naturalist. A more entertaining evening would be hard to find than the one furnished by Mr. Gilstrap. He held his audience enthralled from the first whistling lesson to the last scene of the Grand Canyon. His wife accompanied him on the piano while he whistled such songs as "The Glow Worm" in a series of bird calls. One of the interesting features of his whistling is the fact that he can manage such crescendos and diminuendos. He kept the audience amused with humorous anecdotes at the expense of tourists and stimulated a desire to view the many wonders which he described and showed.

Refreshments were served in the gymnasium from tables extending happy New Year greetings by their decorations. One table had a raised dais holding a horse shoe with Good Luck greetings, while the ice cream displayed a red bell in the centre. The following committee was in charge: chairman, Mrs. John Proudfoot; Miss Alice Fischer, Mrs. W. R. Barss, Mrs. Edmund Frost, Mrs. Elmer Anderson, Mrs. Herbert Newgent, Mrs. Anthony Sotelo, Mrs. Wesley Craig and Mrs. Albert Gordon. The ushers for the evening were Dorothea Emus, president of the Junior Garden Club; Barbara Schwamb and Paul Whitney.

High School Pupils Give Soldier Ovation

Speaking before the assembly of the Arlington High School last Monday morning, Colonel F. J. Miles, D.S.O., O.B.E., senior chaplain of the Australian Imperial Forces in Gallipoli, 1914-1920, was given a rousing reception by the high school students at the conclusion of his lecture on, "The European Situation as Seen by an Eye-Witness." Drawing from the rich background of first-hand information gained in his travels in the various European countries, the distinguished soldier-chaplain presented an array of facts not available in the newspapers or magazines. Principal Gammons voiced his keen appreciation with that of the student body at the close of the message.

On Wednesday morning Colonel Miles spoke before the assembly of the West Junior High School on the subject, "The Russia of Today." Before the two service organizations of this town, the Rotary Club at the Middlesex Sportsman's Club on Wednesday, and the Kiwanis Club today at Wyman's Restaurant, Colonel Miles will speak on the topic, "The British Empire Myth."

As International Secretary of the Russian Missionary Society, oldest missionary organization in the world doing work among the white Russians with its headquarters in

Music by the regular choir was augmented by piano and organ selections played by Katharine Yerrinton, pianist, and Mrs. Margaret Sandberger at the Farmer Memorial organ. The ushers were James F. Younie, Herbert O. Dutcher and Arthur S. Harding. At the Sunday School session, R. F. Needham gave a talk on the history of the church.

Former Pastors Attending Centennial

Rev. Edward L. Houghton, pastor of the First Universalist church, 1885-86, Irving C. Tomlinson, pastor, 1889-93, and Rev. Rubens Rea Hadley of Peabody, pastor, 1927-35, will be among the honored guests at the centennial banquet in the vestry Saturday evening. Rev. Harry Fay Fister, pastor, 1893-1909, and since that time of the Milford Universalist church, will send a letter of greetings. Final word has not been received from Rev. William H. Gould of Turner.

Maine, the only other living pastor, who was settled here, 1919-23.

David L. Peirce, chairman of the centennial committee and a descendant of Thomas P. Peirce, a founder of the church, will be the toastmaster.

Open House

Saturday afternoon from three o'clock tea will be served in the parish hall during an open house and exhibit of pictures, books, papers and other items relating to the history of the church. On Sunday morning at 9:30 the church school will have a Centennial Service, to which a general invitation has been extended. Dr. Robert Cummins will preach at a service starting at 10:45 a. m., in which the edifice will be re-dedicated as it enters its second century as a church for liberal Christian worship.

Speaking upon the subject of Universalists and church history, Prof. Alfred Cole of Tufts College will address the members of the Samaritan Society at 2 p. m. Monday in the vestry.

Luncheon will be served next Thursday to a large gathering of ladies from many Universalist churches attending a public meeting of the Massachusetts Association of Unitarian Women.

It was announced by the board of trustees of the society that the annual parish meeting legally called for January 16 would stand in recess until January 24 for the transaction of business, owing to the preoccupation of the parishioners this week with the centennial celebration. The meeting next Friday will be preceded by a supper.

RED AND GRAY WINS THREE HOCKEY GAMES IN ROW

Belmont Hill, Rindge and Medford are Victims.

The Arlington High hockey team has at last found the victory trail after five straight defeats. Now it holds two league victories besides a win over Belmont Hill. Last Wednesday Downs took his boys up to the prep school rink and with Blanchard, Burns and Ritchie each flashing the light, they brought home a 3-1 decision. This seemed to be all they needed, because on Friday they looked like a new club when Belmont furnished the opposition at the Garden.

Melrose and Newton each added a victory on Thursday afternoon and Rindge and Arlington took the two points in Friday's twin bill. The Tech boys pulled a mild surprise in vanquishing Stoneham by a 5-2 margin, while Arlington emerged from the league cellar, which is now occupied by Belmont, by virtue of a 6-3 triumph over this same Belmont team.

Three-Goal Rally

The game saw the Red and Gray come from behind and then stage a brilliant three-goal rally in the final period to cinch the verdict. Perhaps Allie Burns deserves the bulk of credit for the win for he passed Dwyer on no less than three occasions. He put Arlington out in front at 2:16 in the opening period with a fast shot from about ten feet out. Jefferson managed to even things up before the session was over, however, on a pass from Chris Ray, who tips the scales at just ninety pounds.

Bill Grant put the Red and Blue ahead after 49 seconds of the second period, with both Ray and Harding drawing assists. Burns came up with his second counter after four and a half minutes and the game was tied up. Jack Cunha put the locals into the lead with his first goal of the season at 7:26, Harvey getting credit for an assist.

The final stanza saw the Arlington boys really turn on the heat. Blanchard was first to score, his tally coming after a solo effort at

2:12. Burns again flashed the light after taking a pass from Captain Arthur at 4:32 and Harvey made the sixth goal three minutes later with McGuire getting an assist. Ray scored for the losers just fifteen seconds before the final gong.

Arlington rose to sixth place in the standing as a result of a 5-1 decision over Medford on Saturday. This proved to be a day of surprises, with Belmont upsetting Cambridge Latin by a 2-0 count. Melrose hung up victory number seven with a 4-0 win over Stoneham and the leaders have now waded through all opposition without a defeat. Rindge took over second place a game and a half behind by virtue of a 3-2 victory over Newton which now trails by two full games. It certainly looks as though the El Ponders are "in" even though only half the schedule has been played. The second half should see better hockey, however, as some of the weaker teams have begun to find themselves.

Ritchie Injured

Herbie Ritchie, plucky second line winger, was injured a few seconds before the end of the second period, but what was feared to be a serious mishap, turned out to be minor and Herb was back at school on Monday. Medford's Greaves and Belmont's White both received rather bad cuts in this seventh G. B. I. round robin.

The game was but two minutes old when Ritchie skated down his right wing boards to score on a solo effort. Ten seconds later Jack Harvey moved in on top of Tuminelli from the left lane to score and the Arlington second line had chalked up a 2-0 margin in less than three minutes.

The middle chapter saw Eddie Bennett make it 3-0 after 45 seconds on a pass from Blanchard. Art scored in his own right at 5:31 of the third period and then at 9:17 Riley passed Red Kelley who played a bang-up game in the Arlington

Tobin and Leary to Lead '41 Football Team

(Continued from Page 1)
Coach Ostergren will have several veterans returning to form a strong nucleus. Of course, Leary and Tobin will be back to bolster the front line along with Flynn, Aulenback and Cunane. In Wally and Joe, Osty should have two of the best wingmen in schoolboy football. Lou Brilliante heads the backs that will be available, but Garrity and Ritchie are also returning for another season. Of course there will be many gaps in the lineup and only time will tell just what can be expected of the team.

ARLINGTON DROPS THRILLER TO NEWTON HIGH SCHOOL

Arlington went down to its second defeat in Suburban League competition last Wednesday afternoon with Newton gaining the decision in a very close game. The final score was 29-27. Although the locals made a poor beginning, trailing 21-16 at the half, they came back strong and almost took the verdict. With one minute left to play, Cotter, who was Arlington's leading scorer with twelve points to his credit, scored a basket which would have put the Red and Gray out in front. This was nullified, however, when Dick Ryholm was called for remaining in the bucket more than three seconds. Seconds before the final horn, Gentile tossed the deciding two points for Newton.

Arlington's defeat can be attributed to the fact that they made good on only five out of eighteen free throws, while Newton converted no less than thirteen times from the foul line. The Arlington seconds dropped a one-point decision in the preliminary. On Friday night the strongest team in Greater Boston comes to Lowe Auditorium, when the Fuscomen tackle a veteran Rindge Tech squad.

Burns pumped in the fifth tally a minute and ten seconds before the windup of the fray to make the final 5-1.

This was by all odds Arlington's best game although the Belmont victory was not too tough to take.

THE POCKETBOOK of KNOWLEDGE

High School Courtmen Triumph Over Melrose

Coach George Fusco's courtmen gained revenge for defeats suffered by both Ostergren's gridsters and Downs' pucksters at the hands of Melrose by trimming the Red and White basketball team, 32-21, last Friday night in the Lowe Auditorium. This victory prevented a thorough shellacking of the locals by their arch rivals during the 1940-41 season as Arlington does not meet Melrose on the diamond and there is little chance for the hockey team to win its return engagement.

Arlington really held the upper hand in this game with the outcome never in doubt. The locals went out in front, 14-10 in the first half and were never again threatened. The third period saw them pile up a 28-12 margin and then they coasted home during the final eight minutes.

Captain Tommy Cotter was the big gun in the Red and Gray attack, leading his team with fifteen

points. Jimmy Maloney had nine to his credit and Cullerton, who replaced Sullivan as a starting forward, tallied seven points. Ritchie was unable to play and of course Red Tobin is still out of action. Washburn and Rautenberg each scored six points for the losing team.

The Melrose seconds overpowered the Arlington reserves by a 21-12 score in the preliminary.

Have you tried them?
THEY ARE DELICIOUS

magnifique, and Peter Lorre, de-
testable villain, that give this mu-
sical film a unique twist. It is all
very silly but interesting with the
three stooges of the horror epics
doing very well opposite the very
clever Mr. Kyser who has in this
his second screen vehicle, "Escape
to Glory," is the second attraction
and in it Pat "Knutie Rockne"
O'Brien sails through his role with
ease while Constance Cummings
makes a welcome return from a
screen vacation.

"Mr. Deeds Goes to Town"

For Review Day

Come Good Friday the University
usually bills for a single day, "Mr.
Deeds Goes to Town" and "Theodora
Goes Wild." "Mr. Deeds,"
brought back at least once a year,
returns for its initial 1941 show-
ing Wednesday, January 22. In it
Gary Cooper plays the Longfellow
Deeds who inherits millions and
gives it to the poor. Mr. Cooper's
role in the super secret Frank Capra
film, "Meet John Doe," is some-
what similar in appeal. Jean Ar-
thur, star of the expensive "Arlon-
zona," acts the part of Babe Ben-
nett, the sob sister who plays Deeds
for a sucker.

George Bancroft of "Little Men,"
"Northwest Mounted Police" and
"When the Daltons Rode," appears
as Mac, the editor. Appearing in
this pretentious Capra epic, aided
Mr. Bancroft no end in his come-
back attempt with the result that
he is now one of the most sought-
after character players in Holly-
wood. Douglass Dumbrille and
John Wray contribute striking
characterizations in this important
film whose every moment is big
time.

The co-revival is Gene Autry's
film, "South of the Border." Mr.
Autry's distinction of being one of
the top five in box-office pull war-
rants his appearing at the Universi-
ty on Review Day.

Robert Barrat Cagney & O'Brien "Here Comes the Navy"

Starting Thursday

Six years ago James Cagney and
Pat O'Brien starred in "Here Comes
the Navy." Now this 1935 hit is
re-issued for 1941 audiences and
Warner Brothers are agog at the
way it is nosing out its 1940 Cag-
ney hit, "City for Conquest." The
Great Cagney plays a cocky sailor
who fights at the drop of a reel.
Pat O'Brien steps in long enough to
let Cagney punch him and for
Gloria Stuart to meet up with Jim-
my. Then it is nip and tuck with
Cagney saving O'Brien who has
been caught by a rope when the Ma-
con suddenly leaves the landing
moors.

Robert Barrat portrays the com-
mander of the Macon with infinite
understanding. Mr. Barrat was last
seen in "Fugitive From a Prison
Camp" and "Captain Caution." His
work as Commander Denning is one
of his finest roles.

Frank McHugh, Cagney's insepa-
rable companion, is present for
laughs but the two stars take care
of themselves on that score. Es-
pecially laughable is the meeting of
the two for the first time. Coinci-
dental to that, in the wake of their
1940 hit, "Torrid Zone," Jim and
Pat have revived their "The Fight-
ing Sixty-Ninth" and "Here Comes
the Navy." Where is Cagney's
greatest hit, "The Public Enemy"?
"South of Suez"

"South of Suez" will be paired
with "Here Comes the Navy."
George Brent and Brenda Marshall
pass around the oomph while
George Tobias continues with his
brilliant dialect histrionics.

Searchlight Club Hears Talk on War Time Travel

At the monthly meeting of the
Searchlight Club last Thursday at
the home of Mrs. Lawson, Mrs. El-
mer Leslie, world traveler, gave a
talk on "Traveling Around the
World in War Time."

Mrs. Leslie said that upon arriv-
al in Japan she found that all visas
had been cancelled, which meant
long delays, and harrowing experi-
ences with the police. In both Jap-
an and China the travelers were de-
lightfully entertained in private
homes. Mrs. Leslie pointed out that
although there are many evidences
of war in Japan the people do not
know what is going on in China,
many Japanese being forced into
the cruel war. The Chinese are sure
they are going to win for they are
now united under a great leader.

They are very grateful to the mis-
sionaries and the Salvation Army,
who take care of the refugees and
suffer with them.

Mrs. Leslie traveled through In-
dia, Turkey, Greece, Italy, Switzer-
land and across unoccupied France.
There she saw countless refugees,
helpless and destitute. Every night
trains passed through filled with
food, on the way to Germany.

In occupied Spain where food is
scarce and the people are hungry,

Improvement Association Holds Annual Meeting

The annual meeting of the
Heights Improvement Association
was held Monday night at the
Brackett School auditorium, with
over 100 people attending, in spite
of the cold weather.

With President Harris presiding,
the reports of the officers and com-
mittees were read, informing the
members of the activities of the as-
sociation for 1940. The election of
four members to the Board of Di-
rectors for the ensuing three years
was held and the following men
were elected: George P. Down,
George A. Harris, Edward H. Hun-
ter and Hallet M. Beals.

Following the election, Joseph
Dente, chairman of the entertain-
ment committee, took over, and
through the courtesy of the New
England Telephone Company, pre-
sented a showing of three moving
pictures depicting the struggle to
restore service after the hurricane
of two years ago, a comedy built
around the construction of the

Describes Work of Perkins Institution To Crittenton Members

Dr. Gabriel Farrell of the Per-
kins Institution for the Blind de-
scribed the work of that institu-
tion most interestingly to the mem-
bers of the Arlington Circle of the
Florence Crittenton League at the
meeting held yesterday afternoon
at the Pleasant street home of Mrs.
William D. Elwell. He illustrated
by moving pictures the hundreds of
things that are taught there.

Mrs. Howard Ensor, president,
presided at the business meeting
which preceded the talk. It was
announced that the Circle's table
at the bazaar had made \$385 and
also that the spring bridge will be
held on April second.

Donald Sullivan, Arlington boy
tenor, sang delightfully "The Lost
Chord" by Arthur Sullivan, and
"Mother of My Heart" by Frank
Grey with "Bag of Whistles" by
Bainbridge Crist for an encore. He
was accompanied by Miss Ruth
Bamberg.

During the social hour tea, cake
and sandwiches were served by
Mrs. Arthur D. Saul, hospitality
chairman, and her committee.

Heights Study Club Hears Two Papers

Mrs. T. Gordon Smith opened her
home at 18 Cliff street, Tuesday
afternoon for the meeting of the
Arlington Heights Study Club.

The hostesses were Mrs. H. W.
Lamson and Mrs. F. P. Doane. Coffee
was served preceding the meet-
ing by Mrs. Curtis T. Prout and
Mrs. Doane.

The first speaker of the after-
noon was Mrs. Leroy P. Bezanson,
whose subject was "Boston Art
Schools and Art Clubs." She said
the first art school in Boston was
founded about 1870 and there are
now 17 in the city and a number of
art clubs. She also spoke of the
growth of art teaching in the pub-
lic schools.

Mrs. Frederick P. Orchard talked
on "Boston Museums." She ap-
proached the subject from the un-
usual and interesting angle of
what goes on behind the scenes and
how these institutions are run. She
highlighted the Children's Museum
which is a treasure house for them;
a place where they may be at home
and even handle exhibits.

Music for the afternoon was fur-
nished by Roland Beers, flutist, ac-
companied at the piano by Mrs. T.
Gordon Smith.

WHAT THE COMMUNITY FUND MEANS

To Arlington and its citizens the Greater Boston Community Fund means constant service in the business of daily living . . . world-famed hospitals and doctors ready to care for our sick . . . family welfare work to remove the causes and the effects of domestic breakdowns . . . constructive character-building by youth agencies and settlements to cut delinquency and its consequent crime to a minimum . . . agencies to give special care, protection and guidance to little children faced with a world they never made.

Our immediate community may not need for itself directly all these services of these agencies. But every year we realize more strongly that what helps people in any part of Greater Boston helps us. The past decade has taught many of us that we are all inter-dependent—as citizens of Arlington, as citizens of Greater Boston, of America.

Our great and good fortune to be members of the last great democracy left today on this earth carries with it grave responsibilities. American democracy will stand or fall on whether its individual citizens have the courage and energy to do their duty toward themselves, their neighbors and their communities.

We must not fail ourselves, our community of Greater Boston, or our country in this Community Fund Campaign. We must work and give fully with determination that our great democratic enterprise shall succeed in raising more than its minimum goal of \$4,883,000 before February 5. We can win a victory for our community, and for democracy in its struggle in this world.

Remember, when a Greater Boston Community Fund solicitor comes to see you, that you're lucky to live where you do, and lucky to be an American. Because you are a citizen of a free American democracy, your community belongs to you personally.

Beginning Saturday, the Greater Boston Community Fund will work once more through you, by democratic action, to help you make your community a better place for you and yours to live and work in.

Give generously to the Greater Boston Community Fund and thank God you have the opportunity to help your community—voluntarily.

SIX PRINCIPLES

An industrial leader has set up a list of six principles for the benefit of his own children and has stated his confidence that if they understood and believed these principles, and would be guided by them in their future actions and activities, he "would feel reasonably sure that they would have happy and useful lives."

These six principles, propounded by C. E. Wilson, Acting President of General Motors, are so comprehensive and so full of meat that they merit serious thought on the part of all of us, whether children or adults—especially in these abnormal days of national emergency. Here is the list:

1. Importance of self-control.
2. The desirability and necessity of developing a tolerance of other people and of the opinions and activities of others.
3. The proper respect for truth and fact.
4. The importance of keeping promises and commitments.
5. Willingness to work and a realization that to work is a normal part of living.
6. The importance of not being licked—of being able to maintain your morale.

Mr. Wilson stressed the latter point, calling it "the spirit of not being licked, of realizing that life is an adventure which cannot be planned in complete detail, a willingness to play the game and still enjoy it, even though the rules are not to your liking, or if your position on the team is not perhaps the one you, yourself, would choose."

Philharmonic Postpones Its Chamber Concert

The Chamber Concert of the Philharmonic Society of Arlington, planned for the last Sunday of the month at the home of Mr. and Mrs. William A. Muller, has been unavoidably postponed until the first Sunday in February. Mrs. Rodney Sage and her committee, members of the Philharmonic Society, will present a delightful program. Because of the refreshments, return post-cards will be sent to all members.

Recently I heard an American missionary to China talk on General Chiang Kai-shek. He said that every morning this great man of China calls out certain words which mean "silence." His whole household stops to think then for an hour or so. The General has committed many Psalms to memory for, he says, "they are Christian classics, and the Chinese want the classics in the soul." The General has been asked how he, being a Christian, is able to lead so many Chinese who are not. The General has answered: "Because it makes me a better Chinese, and they recognize it."

Fifty Years Ago This Week

The management of the Skating Association came to Arlington yesterday, inspected Spy Pond, and decided the ice was good enough and sufficiently strong to carry out the plans announced for the annual carnival of the association, and if fairly clear skies come with tomorrow, Arlington will witness an event of unusual importance.

A party of boys and girls about twelve years of age made a jolly sleigh ride party last Saturday afternoon, riding to Lexington and return in Clark's boat sleigh. Mrs. S. G. Damon chaperoned the party. A similar party, only somewhat older young people, went on a ride the evening before under the chaperonage of Mrs. Jas. A. Marden.

Local Board Doctors Doing Excellent Job

The number of permanent rejections at Army Induction Stations is not high, according to a statement issued by Major Donald E. Currier, Chief of the Medical Division at Massachusetts Selective Service Headquarters.

The actual number of men permanently rejected is small. The majority of the men rejected might more properly be said to have been deferred. For example, all men with bad colds or with coughs resulting from recent colds were turned down. Not permanently, of course, but until such time as their acute condition had cleared up.

The First Health Seals

January 13, 1941

To the Editor:

If it had not been for the interest of a newspaper columnist of The Philadelphia North American in 1907, this country might not have had the Christmas Seal Campaign against tuberculosis as we know it today. Leigh Mitchell Hodges first publicized the sale of \$3,000 worth of Christmas Seals for Emily P. Bissell, of Wilmington, Delaware, for the maintenance of her small outdoor hospital for tuberculosis patients.

Now in 1940 the Arlington Advocate has performed an important function in cooperating with the Christmas Seal Committee in our campaign. In behalf of its members I extend to you our deepest gratitude. Without your help the importance of the year-round work the local tuberculosis association is doing could not have been brought before the public.

How Much Can We Save?

National defense seems to be the most important thing in the minds of people today. The newspapers and radio are full of war news and of the efforts of this country to prepare. The National budget has been divided into two parts. One part for the continuance of the usual governmental functions and the other part devoted to defense appropriations. The first part of the budget is to be reduced, according to newspaper reports, some 15 percent, but the defense items are to be tremendously increased. The total is an all time high in government spending with the end not yet in sight. If aid to certain countries is undertaken yet more Federal appropriations will be necessary.

For the most part people seem to believe that our Nation must arm; that aid to certain countries should be given. They seem to be willing to lend each his aid—do his share—whether it be by personal service or by the payment of larger taxes now and still larger taxes yet to come.

There is one thing certain and sure, however. The more we pay to the Federal Government for these necessary things the less we will have to spend on luxuries in our own State and Town. We must not let our mind become so filled with National Defense and Aid that our substance be taken from us in our own home Town. No one would imagine that if the Federal Government cut 15% off the everyday running expenses that we could or should do that here. It is, however, time for us to take stock of things in Arlington.

Consider the following items:

- (a) Can we do without any of our present services?
 - (b) Should we curtail expansion and improvements?
 - (c) Should we add to our number of employees?
 - (d) Should we increase the pay of any employee?
 - (e) Should the pay of any employee be increased beyond certain previous set limits?
- It is axiomatic that the grand total of our appropriations will most certainly determine the size of our Tax Bill. Other items enter

into it, such as State and County Tax, Elevated deficit and income but mostly it is what we spend ourselves that alters the amount of that bill up or down. Last year the Town appropriated for its own use \$2,409,400.57 How much less could we spend this year without hurting anyone? Four items come to mind at once as follows:

Town Debt requirement	\$21,000. less
Interest on Debt approx.	840. "
Election & Town meetings, approx.	8,000. "
Snow plows & loader	26,900. "
	\$56,740. less

How much more we can save is up to the Finance Committee—is up to your Town Meeting Members—is up to YOU.

N. E. Electric Utilities Have Built Reserves

The electric utilities of New England have built up ample reserves of generating capacity to meet the increasing demands of the national defense program, according to Frank D. Comerford, President of Boston Edison Company and Chairman of New England Power Association.

In a New Year's message to employees of these two organizations, appearing in Contact, which is published for New England Power employees, and in Edison News, a similar magazine for Boston Edison employees, Mr. Comerford says in part:

"It is an inherent part of our business that we must be prepared for emergencies a long time in advance, even before they appear on the horizon. Normally, we anticipate an increase each year in the consumption of electricity, particularly in the home, where the various electrical labor-saving devices are no longer a luxury but have become the commonplace of everyday American life. Since we cannot build a new power station overnight, or produce a new generating unit at a week's notice, we maintain at all times an ample reserve, and our construction programs are projected four or five years ahead."

"When the World War began in September 1939, the New England Power Association anticipated that the demand for electric power would increase more than normally; therefore, an order was immediately placed for a new 40,000-kilowatt generating unit for installation by the Narragansett Electric Company at Providence. This unit is now almost ready for operation."

"Early in 1939 Boston Edison Company brought to completion a program which added 65,000 kilowatts to generating capacity. Last summer, after Congress had multiplied the national defense appropriations many times, Boston Edison ordered 58,000 kilowatts of additional capacity, and deliveries are anticipated early in 1942."

SACHEM COUNCIL BANQUETS AND CONDUCTS BUSINESS

(Continued from Page 1)
Dalton of Belmont; Advancement, Wm. T. Anderson, Jr., Arlington, and Cubbing, Albert L. Gustafson, Belmont.

A social hour filled in until the banquet at 6:30. Mess Call was sounded promptly by Scout Robert M. Durkee of Troop 4, Belmont, and was as promptly obeyed by the Scouters and their wives. Rev. D. Joseph Imier, pastor of the Belmont Methodist church, gave the invocation. During the dinner singing was led by Gus E. Frye of Watertown, with Webb Thomas of Lexington at the piano.

Dr. Garfield then congratulated the Eagle Scouts who received badges during the year—Allan Crocker, Troop 4, Belmont; J. Arthur Riedle, 4, Watertown; Malcolm R. Gavin, 5, Harold Donovan, 7, and John Guttridge, 10, of Arlington; Thomas Hoffman, 49, and Wm. W. Anderson, 49, Concord.

Close to 200 certificates for training courses completed during the past year were then presented by Erald L. Sawyer of Watertown, who served also as Toastmaster. Mr. Sawyer also presented a Scoutmaster's Key to Commissioner-elect Harold B. Dalton of Belmont, a Skipper's Key to Anthony J. Sevigny, Skipper of Ship 36, Watertown, which, incidentally was the first ever awarded by the Sachem Council; and a Scouter's Award to Alfred C. Woodward of Arlington, also the first one ever presented by the Council.

What brought forth loud cheers from every Scouter in the hall was the remembrances to the girls in the office, Miss Agnes McGrath and Miss Rita Murphy. The clever presentation was made by third Vice-President Whitfield W. Johnson.

The outgoing and incoming presidents spoke briefly and Commissioner Dalton presented ten year Veteran pins to Joseph Fogelin, Wm. C. Rogers, Grosvenor G. Betts and Robert J. Young of Troop 4, Belmont, and a twenty-year award to Dr. Walter T. Garfield.

Locke P. T. A. Meets In Spite of Sickness

In spite of the fact that two of its officers—Mrs. Carl Ockerbloom, president, and Mrs. Frank Lincoln, vice-president—and its scheduled speaker, Mr. Weston, were sick and unable to be present, the Locke Parent-Teacher Association held its meeting in the school hall last Thursday evening.

Mrs. Max Rosenthal presided. Pictures from the New England Telephone Company, selections played by a group from the Arlington Philharmonic Orchestra, and readings by Miss Joan Juffre and Miss June Campbell provided the entertainment. Mrs. Walter Alsen and her committee with the Third Grade mothers served refreshments.

Arlington High Ski Club Now Active

Again the Ski Club at the High School is in full swing, with 80 members and an able group of officers: president, Bill Lane; vice-president, Marilyn Peirce; secretary, Joseph Brine; treasurer, Wilbur Rawding; assistant secretary-treasurer, Barbara Birch; faculty advisor, Carl T. Witherell.

The club has proven very successful, not only in winning the Dartmouth Alumni of Boston Trophy, awarded at Mt. Hood Carnival last year, but in having many enjoyable ski trips as well as social events.

This year the club is fortunate in having such an able ski instructor as Norman Cox, the former Harvard Ski coach. Mr. Cox is able to give one or two afternoons a week to members who wish instruction at a very small charge. Two classes of about 25 in number have already been held with excellent results.

Among other activities planned for this year are a dance, a week's trip to the mountains and an afternoon program of motion pictures of skiing as well as many minor competitions with neighboring schools.

Preparations for this year's competition at Mt. Hood Carnival on January 25th are well under way. Because of the efforts of Mr. Witherell and the cooperation of the club members, there is every reason to believe that the club will do its best to retain the beautiful trophy they won last year. This trophy will be on display in the window of Shattuck's Hardware Store during this week-end.

Social Alliance Hostess To Church School Mothers

The Social Alliance of the First Parish (Unitarian) church was hostess last Monday afternoon to the mothers of the children of the church school. A devotional service and short business meeting with Mrs. Whitman Hall presiding, preceded the program.

Miss Frances Wood of the religious education department of the American Unitarian Association was the speaker. She stressed the importance of careful home training of children during these troubled times as regards radio programs and reading material. Miss Wood also pointed out the necessity of parents working with the teachers in the church school.

Mrs. Cecil Beattie of Medford sang beautifully several selections. She was accompanied at the piano by Mrs. Edwin L. Allen. Tea and a social hour were enjoyed.
